DOES Math Nigh, 6:30 PM

**Friday, October 21**  
Harvest Moon Festival

## Corals of Creativity

Well Dayton Oaks Families!

We are sure by now that you have heard about FUNRUN.com! At Dayton Oaks this week, your child has been hearing about our "Big Run" that is planned for next Thursday, October 13th! This is the day that our intermediate grades run laps to raise money for our school at 10:00am, followed by the primary grades at 2:00pm. We'll even have a mini-fun run for our morning preschool friends at 9:20am. Boosterthon has worked with your child(ren) to give them a little more exercise throughout the day and provide them with character-building messages daily. The students really seem to be enjoying these messages. They are certainly pumped up! Please mark your calendars for next Thursday to attend the Fun Run and cheer our Dolphins to victory. Each run will take place down on the big field. Just park and head on down. If it rains, we will have the run in the gymnasium. Parents will not be able to attend the run if it rains. SORRY!

Thank you for your support of the PTA by just logging in to FUNRUN.com. Even if you choose not to raise money for this event, just logging in is motivating for our students. Thanks so much! See you at the run.

## Green Team is Looking for Donations!

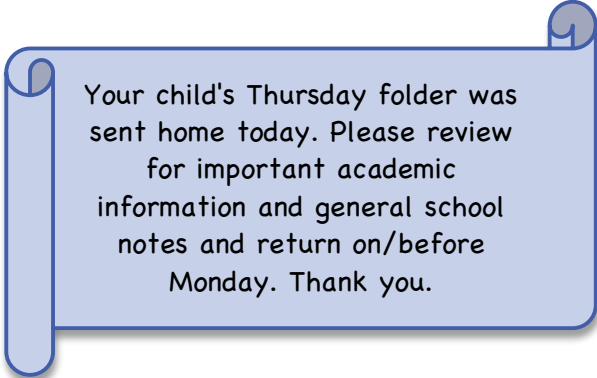

The Green Team is in need of gardening supplies such as gloves, shovels, trowels, and daffodil bulbs to plant around the school during the month of October. We are also looking for gardening experts to help with our outdoor classroom area. If you have any questions or would like to assist the Green Team, please contact Mrs. Billey at [sonya\\_billey@hcpss.org](mailto:sonya_billey@hcpss.org) or Mrs. Mangiulli at [joy\\_mangiulli@hcpss.org](mailto:joy_mangiulli@hcpss.org).

## Looking for Coders!

We are looking for speakers in the area of computer science to come in to talk with The How Girls Code group meeting after school on Thursdays. Although we are especially looking for women working in the area of computer science and coding, we would welcome expertise from anyone in the community. We are asking that our speakers spend about 15 minutes highlighting their careers, how it relates to coding/computer science, their background education, and anything else that they would like to share that led them into their careers. If you are interested in inspiring our future coders, or have questions, please contact Mrs. Billey at [sonya\\_billey@hcpss.org](mailto:sonya_billey@hcpss.org) or 410-313-1571. Thank you in advance!

## Music Notes

Congratulations to 4th grader **Kayleigh Bogard** for auditioning and being selected to be a member of the Howard County Children's Chorus. Kayleigh will be rehearsing and performing with singers from all of Howard County's elementary schools. We're proud of you, Kayleigh!

Your child's Thursday folder was sent home today. Please review for important academic information and general school notes and return on/before Monday. Thank you.

Please visit the **Community News and Programs** page (<http://www.hcpss.org/community-news-and-programs/>) on the HCPSS website for announcements of upcoming events and programs sponsored by non-profit organizations.

**Dayton Oaks Elementary School \*4691 Ten Oaks Road, Dayton, MD 21036 \* 410-313-1571**  
**School Hours: 9:00 a.m. – 3:30 p.m.**  
**Office Hours: 8:15 a.m. – 4:15 p.m.**

*Every student is engaged and inspired in a rigorous and empowering environment, in order to develop a love of learning, discover strengths, and excel in all endeavors.*
