On Deck With Your Administrators

Dear Dayton Oaks Families:

As we move into the second half of October, I want to highlight an annual tradition that holds special meaning at Dayton Oaks: Veterans Day. Each year, we take great pride in honoring the brave individuals who have served or continue to serve our country. This tradition reflects our deep respect and gratitude for their service and sacrifice, and we look forward to continuing this meaningful tribute on November 11.

We invite you to help us recognize the veterans and active-duty service members in our Dayton Oaks family. If you, a family member, or a friend has served or is currently serving, we would be honored to include them in our Veterans Day presentation.

Please share a photo of the service member, their name, and any significant details you would like included by completing this [form](#). By submitting the form, you grant permission for this information to be shared with our school community. **Please submit all information by Thursday, October 29.**

We are deeply grateful to all who have served and continue to serve our nation. On November 11, we look forward to honoring these remarkable individuals through a flag-raising ceremony and a special slideshow presentation shared with the Dayton Oaks community. Thank you for helping us celebrate their service, recognize their sacrifices, and share this important tradition with our students and staff.

Educationally yours,
Ms. Williams-Kennard, Principal
Mr. Scobie, Assistant Principal

Counselor's Corner

Dear Families,

October is National Bullying Prevention Month, and we are excited to celebrate with two special events that encourage kindness, inclusion, and friendship across our school community!

First, On Wednesday, October 21st, our school will recognize Unity Day. Students will participate in an SEL lesson exploring what unity means and how small acts of kindness and inclusive teamwork make a big difference! On this day, we invite all students and staff to wear orange, the color of unity!

To keep the momentum going, the school counselors will be hosting a Mix It Up Lunch! During this fun event, students will participate in "friendly seating" by sitting at lunch tables with peers they might not usually eat with. We will provide tabletop conversation starters to help everyone break the ice, discover shared interests, and make new connections.

- Grades 3, 4, and 5: Tuesday, October 20
- Grades K, 1, and 2: Friday, October 23

We encourage you to talk with your child at home about what unity means to them and ask them about the new things they learned about their classmates during Mix It Up Lunch. Thank you for partnering with us to keep our school a safe, welcoming, and connected place for every student!

MSDE Family Guides for Student Success

Parents and guardians are their child's first teachers, and your insight is essential to helping your child succeed. When families and educators work closely together, students benefit. MSDE has created this guide for families. The link is below.

The Family Guides for Student Success outline the key literacy and math skills your child will learn from pre-kindergarten through eighth grade. These guides show what students should know by the end of each grade and support your child in meeting Maryland's learning expectations. Your partnership with your child's teacher makes the biggest difference. Stay in communication, ask questions, and reach out for ideas or activities to support learning at home.

MSDE is currently updating the Family Guides on this website to ensure they meet federal accessibility requirements and to provide clearer vocabulary and concepts in the math sections.

Student Reading Improvement Plans (SRIPs)

Maryland's Ready to Read Act requires that students at risk for reading difficulty receive timely, targeted intervention. Beginning with the 2026-2027 school year, Howard County Public School System (HCPSS) is putting this into practice through Student Reading Improvement Plans, or SRIPs. For more information, please see the flier linked below.

October LGBTQ+ History Month

October marks LGBTQ+ History Month! LGBTQ+ History Month was first established in 1994 by Rodney Wilson, a high school history teacher and former Glisten (previously GLSEN) chapter leader. It was then declared a national history month by President Barack Obama in 2009. LGBTQ+ History Month is a month-long annual observance of lesbian, gay, bisexual and transgender history and the history of the gay rights and related civil rights movements. Taking the time to uplift and celebrate the achievements and accomplishments of the LGBTQ+ community plays a significant role in creating positive school climates for LGBTQ+ students. Please find additional information regarding LGBTQ+ Month [here](#).

Student Personal Device Use in Schools

Families are encouraged to remind students that personal technology devices are to be away and silenced during the student day, including but not limited to phones and smart eyeglasses. More information on student personal device use in schools can be found [HERE](#).

PTA Directory Information

HCPSS recently shared an update with PTA Presidents regarding changes to how family contact information may be accessed for school directories. Due to increased concerns related to the safety, security, and privacy of students, staff, and families, HCPSS will no longer provide family contact information from its student information system to PTAs for this purpose.

The DOES PTA may continue to independently create and maintain a school directory by voluntarily collecting contact information directly from families. Participation in the PTA directory is completely voluntary. Only families who choose to provide their information directly to the PTA will be included in the directory. Families who do not wish to participate do not need to provide any information and will not be included.

We appreciate the PTA's continued partnership in supporting meaningful connections among our DOES families while also respecting the privacy and choices of each family.

If you have questions about the PTA directory, including how information is collected or how to participate, please reach out directly to the DOES PTA.

A Note About Parent Lunch Visits

As we excitedly begin a new school year, we want to take a moment to welcome our families back and share a message about our strong Dayton Oaks community and the importance of our partnership with you.

As you may have heard, parent lunch visits are no longer permitted at HCPSS schools. This information was shared yesterday in the [Howard County Public School System News](#) report. While we understand that some families may be disappointed by this change, the decision is intended to help keep our students and school community safe, secure, and focused on learning. Limiting access to the building during the school day also helps minimize disruptions and support consistent routines for students.

Most importantly, please know that our families are always welcome, valued, and an important part of the Dayton Oaks community. We never want this change to feel like a barrier between our school and the families we serve. Our children thrive when families and schools work together, and we deeply value your partnership.

There are many meaningful ways to stay connected to your child's school experience. Please continue to communicate with your child's teacher and our staff, attend school and community events, and look for opportunities to volunteer and participate in an official capacity. We will share those opportunities with you as they become available very soon.

Thank you for your understanding, partnership, and continued support. Dayton Oaks is a stronger community because of our families, and we look forward to working together to make this a wonderful year for all of our students.

Reminders About Arrival and Dismissal Procedures

To ensure a smooth and safe arrival and dismissal for our students, please read the information below.

SCHOOL HOURS: 9:25 a.m. – 3:55 p.m.

ARRIVAL TIMES:

9:10 a.m. First bell rings/students may enter the building.

9:20 a.m. Second/late bell rings/students should be in the classroom.

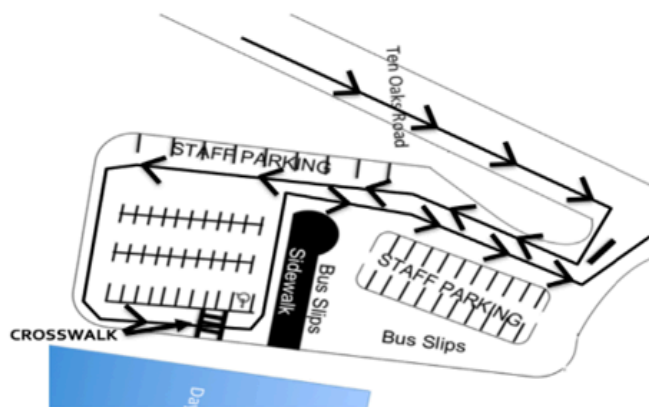

Students should not be dropped off or let out of your vehicle until 9:10 a.m. Supervision is not available for students before this time. Before and after care is available through Howard County Parks and Recreation as well as other before and after school providers in the community.

All children who are late must be accompanied by a parent and be signed into school in the front office.

DISMISSAL TIMES: Dismissal begins at 3:55 pm.

If you have to make a change to your student's dismissal, please send a note and/or email to their teacher, and notify the front office. If you have to make a change during the day, after your student has arrived at school, please email your child's teacher AND email the front office staff at: doesfrontoffice@hcpss.org. **No students will be released from the front office for early dismissal after 3:40pm.** This will help to ensure the safety of our students and cut down on confusion at the end of the day as afternoon dismissal begins.

Arrival and Dismissal Procedures and Expectations: Please see the visual below for the flow of our car loop. Below the visual are the expectations and instructions for making arrival and dismissal of your student(s) as efficient and safe as possible.

Reminders for arrival and dismissal:

Use the car loop to drop off students. When you enter the parking lot, you must make the full loop around.

- There is NO PASSING in the carpool loop, unless directed by a DOES staff member.
- Never leave a car unattended in the carpool loop/line.
- Pull up as far as possible (to the peninsula sidewalk) before letting your child exit the vehicle. Please make sure there are no spaces between cars.
- Children will be let out of the passenger side of the vehicle only. Staff will assist children with getting in and out of the car. Parents should NOT get out of the car.
- Do not turn left to enter the bus loop area between 8:55 a.m. and 9:25 a.m. or between 3:25 p.m. and 3:55 p.m.
- It is extremely unsafe to walk behind or between buses in the bus loop. Take the extra minute in line to ensure everyone's safety.
- Parents should avoid parking and walking in unless they have an appointment within the building. The car loop area is safer with less pedestrian traffic and fewer cars moving within the parking lot.
- If you need to park, you must park in the larger lot by the carpool loop. This is the only area with a crosswalk to ensure safety when walking toward the building.
- The parking spots parallel to Ten Oaks Road are designated as Staff Parking during arrival and dismissal. Entering or exiting your vehicle is unsafe from these parking spaces while traffic from the car loop is flowing.
- All traffic must flow in one direction.
- If you are leaving a parking spot during arrival or dismissal, follow the directions of school staff. You may need to wait for cars to continue through the car loop before you are directed to pull out of the lot. The priority is to keep the car loop flowing.
- Please be courteous and respectful to both staff and other families.
