Welcome to Dayton Oaks Elementary School!

DIVE Expectations

- D: Be Dependable
- I: Be Involved and Organized
- V: Be Very Respectful
- E: Put Forth Your Best Effort

What is PBIS?

Positive Behavioral Interventions and Supports is a three-tiered system that teaches expectations through positive coaching and differentiated behavioral supports. It is grounded on building relationships between staff, students, and the community.

Why PBIS?

The staff of Dayton Oaks Elementary School encourages students to follow the DIVE expectations in all aspects of their daily learning. When students exhibit positive behaviors, they are more available to learn.

We are taking a positive approach by giving recognition for positive behaviors. We are creating a learning environment where all can achieve.

Implementing PBIS ensures that staff and students are using a common language. Using common language helps to maintain consistency of behavioral expectations throughout the school day.

At DOES, students will earn tickets for demonstrating DIVE expectations. Tickets are earned and “cashed-in” weekly at the classroom level for incentives that the class and teacher have agreed upon.

With consistent positive behavior, classrooms, whole grade levels, and the entire school community will earn celebrations as our mascot, Dani the Dolphin, moves to the final buoy on our Swimming to Success Charts posted throughout the building.

We appreciate your support as we help students to learn and understand the impact their behavior has on our school community!
